## The Barbara C. Terry Society, Emergency Assistance Fund

Presently there are thousands of citizens throughout the Greater Fredericksburg Region struggling to keep their lights on, to pay their rent and to provide food for their families. It is for this reason the Rappahannock United Way Board of Directors, in conjunction with the naming and dedication of the new Barbara C. Terry Building, have established The Barbara C. Terry Society, Emergency Assistance Fund.

In recognition of the 30 years of service the retired leader gave to Rappahannock United Way and to our community, The Barbara C. Terry Society, Emergency Assistance Fund will continue Mrs. Terry's years of compassion and service to those most in need in our community.

This fund will provide emergency assistance to struggling households; helping families meet the needs of housing (rent and mortgage), food, utilities, and transportation. This one of a kind fund will also focus on helping families who do not qualify for other community based services and who are facing economic crisis for the first time. Please honor Mrs. Terry and her lifelong mission to better our community and consider making a contribution to The Barbara C. Terry Society, Emergency Assistance Fund.
