

## 2012 Charity Tracker Workshop

Friday, February 10, 2012  
9:00am – 11:30am

### Training Location:

Rappahannock United Way Community Room  
Rappahannock United Way, 3310 Shannon Park Dr Fredericksburg, VA 22408

### Training Description:

Charity Tracker is a web-based system that allows local health and human service agencies to share and track client data with multiple organizations within our community. Charity Tracker is a simple and secure approach to shared case management.

Rappahannock United Way created a Charity Tracker Network for the Greater Fredericksburg area to create a more streamlined approach to providing assistance to individuals in need in our community.

This workshop is for existing *and* potential members of the RUW Charity Tracker Network.
