When You GIVE, You're Part of the SOLUTION!

Individuals pictured are all local people in our community whose lives have been impacted by the Local Government Campaign.

# LOCAL GOVERNMENT CAMPAIGN

The Local Government Campaign provides people who work in the governments and schools in the City of Fredericksburg, and Counties of Caroline, King George, Spotsylvania, and Stafford with an opportunity to support the work of local charitable organizations. It is the only opportunity that local government and school employees have to make contributions through the convenience of payroll deduction. The campaign is overseen by a committee of representatives composed of employees from the various government and school districts known as the Local Government Campaign Committee. The Committee established guidelines for the campaign, selected Rappahannock United Way as the fiscal agent to serve as the administrator of the campaign, and evaluated and approved the nonprofit organizations that applied for inclusion in the campaign. Throughout each step of the process, the interests of local government and school employees were given top priority.

If you would like to learn more about the Local Government Campaign, participating nonprofit organizations, or how to become more involved in your community, please contact Rappahannock United Way at 540-373-0041 ext. 304 or visit [www.rappahannockunitedway.org](http://www.rappahannockunitedway.org).

## Dear Fellow Local Government and School Employees:

I am honored and excited to serve as chair of the 2016 Rappahannock United Way Local Government Campaign. As committed public employees, we understand how charitable giving and volunteerism positively impact our communities within the Fredericksburg region. A champion of education, Booker T. Washington once offered that:

*"Living is the art of loving. Loving is the art of caring. Caring is the art of sharing. Sharing is the art of living. If you want to lift yourself up, lift up someone else."*

This year's theme – **"Be a Part of the Solution"** – prompts each of us to participate in the campaign so we may collectively "lift up" those in our community who need it most. Rappahannock United Way works with diverse businesses, faith-based and nonprofit groups as well as government agencies to make Education, Income, and Health strategies actionable. Through this cooperation, partner agencies of the United Way improve healthy and sustainable living conditions and habits of many children and adults. This is your opportunity to be part of the solution and make the campaign's aim to be an uplifting source of support in our region a reality.

In this spirit, I urge you to participate in the 2016 Local Government Campaign. When you choose to participate, you can opt for your generous gift to be a one-time donation or a payroll deduction. In addition, you may direct your donation to the organization of your choice. Thank you in advance for your consideration as a participant in the campaign and for making an uplifting difference in our community.

Sincerely,

Dr. Robert Benson, Superintendent  
King George County Schools  
Local Government Campaign Chairman

If you designate to a federation, your contribution will support the overall mission of the federation and its member agencies.
