CHANGING THE COMMUNITY. BRICK BY BRICK.

We invite you to take part in a new journey with Rappahannock United Way, as we continue to create lasting change in the Greater Fredericksburg Region. We are offering individuals and businesses a limited opportunity to have personal messages engraved on bricks, which will be permanently displayed outside of our brand new building. Please consider ordering a brick for yourself or in honor or memory of friends or loved ones who have made a difference in your life. Bricks are also a lasting way to commemorate special occasions such as birthdays, anniversaries or time spent as a United Way supporter.
