

2018 LOCAL GOVERNMENT

CAMPAIGN GUIDE

When You GIVE, CHOOSE UNITED WAY!

Individuals pictured are all local people in our community whose lives have been impacted by the Local Government Campaign.

LOCAL GOVERNMENT CAMPAIGN

The Local Government Campaign provides people who work in the governments and schools in the City of Fredericksburg, and Counties of Caroline, King George, Spotsylvania, and Stafford with an opportunity to support the work of local charitable organizations. It is the only opportunity that local government and school employees have to make contributions through the convenience of payroll deduction. The campaign is overseen by a committee of representatives composed of employees from the various government and school districts known as the Local Government Campaign Committee. The Committee established guidelines for the campaign, selected Rappahannock United Way as the fiscal agent to serve as the administrator of the campaign, and evaluated and approved the nonprofit organizations that applied for inclusion in the campaign. Throughout each step of the process, the interests of local government and school employees were given top priority.

If you would like to learn more about the Local Government Campaign, participating nonprofit organizations, or how to become more involved in your community, please contact Rappahannock United Way at 540-373-0041 ext. 318 or visit www.rappahannockunitedway.org.

Dear Fellow Local Government and School Employees:

I am honored and excited to serve as Chairman of the 2018 Rappahannock United Way Local Government Campaign. As committed public employees, we understand how charitable giving and volunteerism positively impact our communities within the Fredericksburg region.

Rappahannock United Way works with diverse businesses, faith-based and nonprofit groups as well as government agencies in the areas of education, financial stability, and healthy living. Through your donations, United Way partners with the community to improve lives by mobilizing the caring power of our community. This is your opportunity to become an agent of change, providing opportunities and resources to those who are in need.

In this spirit, I encourage you to participate in the 2018 Local Government Campaign. When you choose to participate, you can opt for your generous gift to be a one-time donation or a payroll deduction. In addition, you may direct your donation to the organization of your choice.

As an advocate for Rappahannock United Way, I ask that you consider an undesignated gift, which will create greater impact in the community because the donation will go where it is most needed. When you Choose Rappahannock United Way, you are choosing your community.

Thank you in advance for your consideration as a participant in the campaign and for making a meaningful impact on the lives of many in our community.

Sincerely,

There is an area on your pledge form where you can indicate which agencies you wish to support. Each federation and agency has a code. By writing the code numbers for the agencies you wish to support, you designate that only those agencies will receive your gift. You may also choose to support an entire group of agencies that is represented by one of the federations in the campaign. If you designate to a federation, your contribution will support the overall mission of the federation and its member agencies.
