

**Financial stability  
changes quickly  
when you're laid off.**

**David knows.**

**Stafford**

**BE THERE**

David was a hardworking restaurant manager. He and his wife have always felt financially stable ... until the pandemic hit. Like many restaurant employees, David was furloughed with no expected return date. He applied for unemployment and actively searched for a new job. David fell behind on rent. Through the ALICE® Assistance Fund, Rappahannock United Way was able to cover his family's rent and give David peace of mind as he navigated the shrinking job market.

## Providing Peace of Mind. It's What We Do.
