LOCAL GOVERNMENT CAMPAIGN

The Local Government Campaign provides people who work in the governments and schools in the City of Fredericksburg and Counties of Caroline, King George, Spotsylvania, and Stafford with an opportunity to support the work of local charitable organizations. It is the only opportunity that local government and school employees have to make contributions through the convenience of payroll deduction. The campaign is overseen by a committee of representatives composed of employees from the various government and school districts known as the Local Government Campaign Committee. The Committee established guidelines for the campaign, selected Rappahannock United Way as the fiscal agent to serve as the administrator of the campaign, and evaluated and approved the nonprofit organizations that applied for inclusion in the campaign. Throughout each step of the process, the interests of local government and school employees were given top priority.

If you would like to learn more about the Local Government Campaign, participating nonprofit organizations, or how to become more involved in your community, please contact Rappahannock United Way at 540-373-0041 ext. 318 or visit www.rappahannockunitedway.org.

Dear Fellow Local Government and School Employees:

I am honored to serve as Chairman of the 2022 Rappahannock United Way Local Government Campaign. There are many opportunities to support citizens in our community, and I look forward to engaging stakeholders in our quest to make a difference.

As you know, Rappahannock United Way endeavors to build a community that is "hopeful, resilient, and self-sufficient." In carrying out our mission, we are pleased to introduce Prosper as our newest addition to our levels of community assistance. Under the Prosper name, we will offer financial coaching, half-hour workshops, assistance (ALICE®), mentoring to empower local women, student-focused educational programs that educate beyond the classroom, support with taxes, and specified workplace coaching.

Each of these offerings has an excellent potential to alleviate community concerns.

As Superintendent of Fredericksburg City Public Schools, I fully support exposing Prosper to high school juniors and seniors. The free financial education program will prepare students for adulthood through financial readiness skills. The best part of this opportunity is that students who participate can win education scholarships to pursue their dreams.

I encourage you to participate in the Local Government Campaign. You have the choice to give a one-time donation or you may participate through payroll deduction. Additionally, you can personalize your donation by directing it to any of the organizations listed in this brochure by using the designation code.

Like the chairpersons before me, I am a strong advocate for Rappahannock United Way, and I ask that you consider giving an undesignated gift which will create a greater impact for Prosper offerings.

Yes, we can make significant difference to support people! Thank you in advance for choosing to join us and making an intentional impact on the lives of our neighbors.

Sincerely,

Dr. Marceline Catlett, Superintendent of Fredericksburg City Public Schools

DESIGNATED GIFTS

This is a total designation campaign, which permits you to choose up to four federations or agencies from this list to receive your gift. There is an area on your pledge form where you can indicate which agencies you wish to support. Each federation and agency has a code. By writing the code numbers for the agencies you wish to support, you designate that only those agencies will receive your gift. You may also choose to support an entire group of agencies that is represented by one of the federations in the campaign. If you designate a federation, your contribution will support the overall mission of the federation and its member agencies.

UNDESIGNATED GIFTS

All undesignated funds will go to Rappahannock United Way for community investment based upon local priority needs.

WRITE-IN GIFTS

There is not a write-in option available during the Local Government Campaign.

NOTE: Due to the cost of processing donations, there is a minimum designation of \$50 per agency per year.
