LOCAL GOVERNMENT CAMPAIGN

The Local Government Campaign provides people who work in the governments and schools in the City of Fredericksburg and Counties of Caroline, King George, Spotsylvania, and Stafford with an opportunity to support the work of local charitable organizations. It is the only opportunity that local government and school employees have to make contributions through the convenience of payroll deduction. The campaign is overseen by a committee of representatives composed of employees from the various government and school districts known as the Local Government Campaign Committee. The Committee established guidelines for the campaign, selected Rappahannock United Way as the fiscal agent to serve as the administrator of the campaign, and evaluated and approved the nonprofit organizations that applied for inclusion in the campaign. Throughout each step of the process, the interests of local government and school employees were given top priority.

If you would like to learn more about the Local Government Campaign, participating nonprofit organizations, or how to become more involved in your community, please contact Rappahannock United Way at 540-373-0041 ext. 318 or visit www.rappahannockunitedway.org.

Dear Fellow Local Government and School Employees:

I am honored to serve as Chairman of the 2023 Rappahannock United Way Local Government Campaign. There are many opportunities out there to support citizens in our community, and I look forward to engaging every one of you in our quest to make a difference right here in our area.

As you know, Rappahannock United Way (RUW) endeavors to build a community where every household is "hopeful, resilient, and self-sufficient."

In carrying out their mission, RUW is pleased to further develop their Prosper programs to provide greater levels of community assistance. Under the Prosper name, RUW offers financial coaching, half-hour workshops, rent and mortgage assistance, mentoring to empower local women, student-focused educational programs that educate beyond the classroom, support with taxes, and specified workplace coaching.

Each of these programs has an excellent potential to alleviate community concerns while offering a holistic view of what enables a community to truly thrive.

As Superintendent of Fredericksburg City Public Schools, I fully support bringing Prosper Students to high school juniors and seniors. Prosper Students, RUW's free financial education program, has been proven to prepare students for adulthood through financial readiness skills. The best part of Prosper Students is that students who participate are given opportunities to earn education scholarships to pursue their dreams.

I encourage you to participate in the Local Government Campaign. You can simplify the process by giving each pay period through payroll deduction. You may also give a one-time donation. Additionally, you can personalize your donation by directing it to any of the organizations listed in this brochure by using the designation code. Every gift goes a long way. Rappahannock United Way also leverages grants and sponsorships to transform undesignated gifts ten-fold, so that each gift has significant and lasting impact on ALICE® (Asset Limited, Income Constrained, Employed) families in our region.

Like the chairpersons before me, I am a strong advocate for Rappahannock United Way, and I ask that you consider giving an undesignated gift which will grow the impact of Prosper offerings.

We can all choose to Be There for our community, and I know you will join me in helping Rappahannock United Way in this commendable endeavor! Thank you in advance for choosing to join us and for making an intentional impact on the lives of our neighbors.

Sincerely,

Dr. Marceline Catlett, Superintendent of Fredericksburg City Public Schools

The Wildlife Center of Virginia is a hospital for native wildlife, teaching the world to care about and to care for wildlife and the environment. www.wildlifecenter.org 540-942-9453

DESIGNATED GIFTS

This is a total designation campaign, which permits you to choose up to four federations or agencies from this list to receive your gift. There is an area on your pledge form where you can indicate which agencies you wish to support. Each federation and agency has a code. By writing the code numbers for the agencies you wish to support, you designate that only those agencies will receive your gift. You may also choose to support an entire group of agencies that is represented by one of the federations in the campaign. If you designate a federation, your contribution will support the overall mission of the federation and its member agencies.

UNDESIGNATED GIFTS

All undesignated funds will go to Rappahannock United Way for community investment based upon local priority needs.

WRITE-IN GIFTS

There is not a write-in option available during the Local Government Campaign.

NOTE: Due to the cost of processing donations, there is a minimum designation of \$50 per agency per year.
